

Environmental Notice

It is the intention of **Ms. S Mpete** as the owner of **SM BRILLIANT POULTRY FARM** to make application to the North West Department of Economic Development, Environment, Conservation and Tourism [NW-DEDECT] for an Environmental Authorisation [EA] for the development and operation of seven [7] environmentally controlled chicken houses, each with a carrying capacity of 42 500 chickens. [Total chickens on site: 297 500] These houses will be utilised for the rearing of broiler chickens for the fresh meat market.

Each chicken house will be around 125m x 15m x 234m in size, complete with feeder silos; water storage tanks; slow combustion heating facilities and a computer system that will control heat; humidity; airflow; oxygen levels; water flow; feeding times and rest/sleep cycles. The entire operation will be contained within one of three bio-security fenced area.

This development will be constructed on the farm **Hartebeestpoort C 419 Portion 1181** with a total development footprint area of around 6.0 Ha in size – 4 houses on one portion and 3 houses on the other area.

The **DRAFT BASIC ASSESSMENT REPORT [DBAR]** will be placed in the Brits Public Library [51 Van Velden St, Brits] as from 12 August 2025 for public viewing.

All Interested & Affected Parties [I&APs] are invited to register; pose questions; raise issues and make representation to the Environmental Assessment Practitioner [EAP] within 30 days of publication of this notification at:
