

Environmental Notice

It is the intention of the owner of ORON TRADING to make application to the North West Department of Economic Development, Environment, Conservation and Tourism [NW-DEDECT] for an Environmental Authorisation [EA] for the expansion of its existing poultry farm operation, on the farm Kwaggafontein Ptn 11 of 375 JQ, through the addition of 2 additional environmentally controlled chicken houses, each with a holding capacity of 70 000 chickens.

The total chickens on site per cycle will be 8 existing houses at 40 000 chicken per house plus 2 new houses with 70 000 chickens per house: TOTAL 460 000 chickens, for the broiler industry.

Each chicken house will be around 160m x 25m x 3.4m in size, complete with feeder silos; water storage tanks; slow combustion heating facilities and a computer system that will control heat; humidity; airflow; oxygen levels; water flow; feeding times and rest/sleep cycles. The entire operation will be contained within one bio-security fenced area. The total development footprint area of around 4.0 Ha in size will be utilised.

The **DRAFT BASIC ASSESSMENT REPORT [DBAR]** will be placed at the **MOSSIE KOFFIE** coffee shop in Derby for all Interested & Affected Parties [I&APs] to read; register as an I&AP; pose questions; raise issues and make representation to the Environmental Assessment Practitioner [EAP] within 30 days of publication of this notification at:
